

2017 Ophea Conference

The Ophea Conference provides essential information, teaching tools, and new insights on ways to support H&PE curriculum implementation, and instructional strategies for healthy, active living within the classroom and school community.

October 12 & 13, 2017

Scotiabank Convention Centre, Niagara Falls, ON

Conference Highlights:

Knowledge Building Sessions: In-depth presentations and facilitated discussions on a variety of current and emerging H&PE curriculum implementation and well-being related topics.

Interactive Workshops: Engaging workshops that offer hands-on experience and knowledge; providing new ideas to use with students right away.

Play with Ophea: An energetic circuit of practical physical activities to get students in the classroom and members of the school community active, playing and having fun!

Networking: Opportunities to connect with colleagues, and learn about other initiatives and resources from professionals who share the same passion.

Exhibitor Marketplace: Learn about the latest programs, equipment and ideas for your classroom and school community.

The early bird deadline is Friday, June 30th - register today!
